## Chapter 141

"Grandma." Gu Ziming cried discontentedly, learn from her?

She's more ruthless than him. Do you want to learn this?

Su An'an was afraid that Gu Ziming would betray her. She even took the initiative to hold Gu's hand. She cried sweetly to Gu, "Mom.

Su An'an cried so sweetly that I heard Gu's heart melt.

"Ann is the best."

With that, old lady Gu stared at Gu Ziming and pulled down her face, "what are you still doing, you stinky boy? Don't go in and open the door for your aunt."

Gu Zi's heart is sealed. He even asks him to open the door for he an.

Seeing that Gu Ziming was scolded, su'an was not satisfied. He supported Gu's wife and said, "Mom, you are so nice."

The little mouth was so sweet that the old lady could not close her mouth. She said to suan'an with a smile, "mom made you soup, and you go back to drink it."

Hearing the soup, Su an an's smile froze.

Why does she have soup?

Gu old lady three people entered the door, she was wearing slippers and shouted to the second floor, "old man, Zi Ming is back, come down quickly and play mahjong."

As she spoke, old lady Gu went straight to the living room. The servant had already set up the mahjong table, and she sat down happily.

Today, I finally found a good person to play mahjong with her. Usually she, Gu Zhen and Gu Ziming are the three people. Sometimes Gu Zhen puts on airs for her and refuses to play with her. The servants at home dare not play with her.

The old lady is a financial fan. We must play money and play big. The old man is the master of a beloved wife. The bureau is waterproof for the old lady.

How dare they play with the old lady on this salary.

Gu Zhen walked down the stairs with a cold face. When she was young, the old woman hated playing mahjong. She thought it was no business. These two years, when she was old, she liked playing mahjong. She was still addicted to it.

"What are you doing? Come on down! " "Old lady Gu said angrily as she watched Gu Zhen standing at the stairway.

Gu Zhen came down, Gu Ziming came to him and asked softly, "Grandpa, is she really my second uncle's wife?"

Gu Ziming is still skeptical. He knows that the second uncle married a wife younger than himself, but it's another thing to see people.

He can't accept it. He still wants to call su'an "aunt" who played with him.

Before the tone in his heart came out, he had to be pressed by the generation of su'an.

"Well." Gu Zhen nods and looks at Su an, who helps the old lady pour water.

"What are you talking about?" "Everyone is old and deaf," she asked.

Gu Zhen came over and said, "Zi Ming said, how did Mo Cheng get such a small wife back!"

"Too much for his face."

Gu Zhen added that he was dissatisfied with suan'an.

"What's his face?" Old lady Gu said unhappily.

"That's your uncle's ability." [www.onlinefreenovels.com](http://www.onlinefreenovels.com)

"You can marry a little girl!" After Gu said that, she felt something was wrong. She looked at Gu Ziming, who came to her face, stood up and hit him on the back. "I tell you, you dare to bring a mess of girls home. I'll let your grandfather beat you to death."

"Beat to death!"

Gu Ziming died of grievance, he asked Grandpa, is that really his second aunt? He was beaten and scolded by his grandmother.

People are stupid. Grandma beat them even more stupid.

"It's better to be safe." Old lady Gu turned to look at suan'an, smiled and boasted, "Cheng Cheng has a good eye."

Gu Ziming stares at suan'an. Grandpa and grandma are blind. How can they think Suan is good?

"Grandma, where is she Asked Gu Ziming.

When he had finished speaking, the old lady would reach out to hit him again.

He wanted to escape, and was grabbed by Gu Zhen behind him. Old lady Gu walked slowly and knocked him on the forehead. "Better than you!"

Anyway, the more she looks at her daughter-in-law, the more satisfied she is, the more she likes her daughter-in-law.

Gu Ziming looks at how the old lady protects su'an. He looks at su'an again, and su'an grins at him.

They sat down and began to play mahjong.

Before the fight, Mrs. Gu thought of an important question.

"Ann, do you have any money?"

Suan felt for her wallet. There were several hundred yuan in the bag. It should be enough.

"I have four or five hundred dollars in my bag."

After she finished, old lady Gu frowned and said, "Cheng Cheng is so mean.

"I'll give you this money."

"Forget it. You can fight first. When Cheng Cheng comes back, I ask him to."

Su'an heard from old lady Gu that this money is not enough for mahjong.

Do they play a lot?

What's more, why does Mrs. Gu think she must win that?

"Grandma, do you dare to ask for it with the second uncle?" Gu Ziming asked old lady Gu with a smile.

Old lady Gu was asked. She was afraid of her son. Gu Mocheng doesn't like playing mahjong. If he knows that she plays mahjong with his wife, she will be miserable when she comes back. Thinking of her son's cold face, Gu's heart shuddered.

"Ann, you write a note and pay me back a little every month." Said old lady Gu.

"I can't let you fight because you don't have money."

Suan can play mahjong, but she is not obsessed with it.

When she listened to old lady Gu, she always felt something was wrong. Why does she feel like she will lose a lot of money to the old lady after playing mahjong.

"Grandma, it's not necessarily that the second aunt is good at playing mahjong." Gu Ziming smiles and picks up Su'an's eyebrows.

Only then did he finish, his head was knocked heavily by old lady Gu.

"You son of a bitch, what do you say to your second aunt?"

"Don't look at your second aunt's beauty and cleverness, just want to catch up."

"When your second uncle comes back, he has to kill you."

Gu Ziming is so unjust. He is clearly provoking su'an.

Su an an looks at the Kung Fu for a while. Old lady Gu hits Gu Ziming four or five times. She finally knows why Gu Ziming is so stupid.

I was beaten by old lady gu!

And Gu Zhen doesn't care if her grandson is beaten. She even helped Gu Ziming just now.

Su an an touched her forehead. The family members and her imagination were very different!

"Grandma, don't fight. You're stupid." Gu Ziming said, and old lady Gu knocked a few more times.

Better play stupid, and wait for more money to win.

If Ann loses too badly today, she won't come to the old house to accompany her next time.

"Ann, you can't play mahjong." The old lady asked again.

"Su an an an Leng next, say," not very can. "

From their words, Gu Mocheng was disgusted with mahjong. He would not be happy if he knew he would.

"That's good, that's good." Listen to Su an an's words, said old lady Gu reassuringly.

At first, Su An'an's phone rang, and the other three people sat still, afraid to speak.

What they are afraid of is Gu Mocheng's phone.

Su an an looks at his mobile phone. It's Gu Mocheng's.

She answered the phone, embarrassed to call "husband" in front of Gu Zhen and old lady Gu, and three of them stared at su'an with six pairs of eyes.

"What are you doing?" [www.onlinefreenovels.com](http://www.onlinefreenovels.com)

"Reading." Said Suan, lying.

Gu Ziming saw that Su an lied without any confusion. He was really an old hand.

When was uncle Er so stupid!

"Touch!" He called out on purpose, frightening the old lady to raise her hand and beat him to the side.

Gu Ziming was beaten to touch his arm. He looked at his grandfather across the street. The old man closed his eyes and saw nothing.

## Chapter 142

Gu Mocheng heard the news over there. He didn't open his mouth. Su an said first, "well, mother called back Zi Ming and asked me to help him with his homework."

"However, he didn't want to read, so he played mobile games next to me," she explained

After hearing Su an's words, Gu Ziming was annoyed.

Where is he playing? In order to play mahjong with the old lady, he came back from class.

"You" didn't say anything. Mrs. Gu had raised her hand and looked at him menacingly.

As long as Gu Ziming dare to talk, she will beat it hard.

"Let him go back to his room. Don't disturb you." Gu Mocheng said in a cold voice, obviously he felt that his nephew was not obedient and would bring harm to suan'an.

"Well, I'll let him go."

"You tell my mother that he affects your reading."

"Oh." Suan answered.

After Gu Mocheng said that, the assistant here is coming to him to make an appointment with Xu's chief. He said to su'an, "I have something to do now. I'll call you later."

"OK." Su an said, and hung up Gu Mocheng's phone.

An old lady was so nervous when she made a phone call. She hurriedly asked Su an, "Cheng Cheng didn't find anything."

"No."

She said, looking at his own Gu Ziming, "he said, Ziming is not obedient, let you teach him a lesson."

Old lady Gu agreed with this saying, "after playing mahjong, your father will clean him up."

Gu Ziming wants to cry without tears. He can't go to class. He runs back to play mahjong with the old lady. That's how the old lady treats him!

And this Suan! Why is this woman his second aunt? He dare not even think of his second uncle when he wants to get revenge!

When su'an began to play, he didn't dare to show that he could play mahjong. He deliberately slowed down his speed and played a random game, which made Mrs. Gu win several games in a row.

"Will you fight?" Gu Ziming is not happy to pay again, and he says to su'an discontentedly.

Suan smiles. All she wants is that they don't think they can play mahjong.

Waiting for old lady Gu to win three games happily, Suan felt something was wrong. Even if she deliberately played the wrong card, she would win anyway.

In the fourth inning, su'an lost all his money, and then he owed all his money.

Didn't receive the money, old lady Gu looked at the black and white words, not happy.

She said to suan'an, "next time, ask Cheng Cheng for more money."

"At least give you ten thousand yuan, you can't play a game with that money."

Suan was grieving for her four or five hundred and that pile of IOUs.

After three games, she lost several thousand yuan. Who knows that old lady Gu likes to play mahjong, but she also likes to play big games.

If it wasn't for the small amount of money she brought, I would think the old lady would bring more.

"Second aunt can swipe her card." Gu Ziming reminds old lady Gu.

When su'an settled down, she thought of the black card Gu Mocheng gave her. She shook her head and said, "my cards are all in Mocheng's place. He is afraid that I will spend money indiscriminately."

"Say I'm a student, save it."

At su'an's words, old lady Gu thought her son was really annoying.

Su'an plays in wonder. She finds out what kind of card old lady Gu wants. Gu Zhen will play it in time. No wonder, it's old lady Gu who wins. It turns out that Gu Zhen is releasing water.

When she thought about it, Gu Ziming stepped on her.

Gu Ziming has always known that the Bureau of Gu Zhen gives old lady Gu water, so it is very difficult to win money from old lady Gu.

He couldn't help but fight. He was beaten by his grandfather in the end.

In the end, I lost most of my living expenses, and then my grandfather doubled it to him.

Gu Ziming doesn't think Su An'an really can't fight. A girl who plays racing is in pursuit of excitement and win or lose. He didn't believe that Suan would like to lose money to his grandmother.

Su an an looks at Gu Ziming, who blinks when Gu Zhen and his wife look at the cards.

Is this to seek cooperation? Suan thought.

"Don't cheat." Gu Zhen's eyes are bright, but Gu Ziming's tricks can't escape his eyes.

Old lady Gu raised her head, looked at Gu Ziming and at su'an.

"It's just fun to play. What's the point of joining up?"

That's right, but isn't Mrs. Gu united with Mr. Gu Zhen?

This is absolutely the only way for state officials to light the lights and not allow people to set fire.

"Ma, it was Ziming who asked me to play cards for him." Su an an immediately betrayed Gu Ziming. She smiled and said to the old lady, "do you want a tube or a rule?"

"Barrel." As she said this, su'an played out three tubes that Mrs. Gu needed.

Old lady Gu's eyes brightened and said happily, "it's burnt."

This cheats boldly, looks Gu Ziming silly.

"Grandma, you!" According to Gu Ziming.

Old lady Gu glanced at him and said displeased, "what are we?" "We colluded, didn't we?"

"Old man, have you seen Ann and I collude in playing cards?"

"No." Said Gu Zhen.

Gu Ziming was stunned. He said it in vain. Grandpa is also grandma's man. How could he stand on his side.

www.onlinefreenovels.com

"Give the money quickly."

"Grandma, I don't have any money. I owe it first." Gu Ziming bargained.

Gu Lao Fu's face stretched, and he said, "No."

When she finished, she handed over her written IOU, and the old lady laughed and boasted, "Ann is so good!"

This difference makes Gu Ziming want to hit the wall. He must be helping his wife when he comes back.

Poor him, he has to be squeezed by two couples for a long time.

Su'an knew the reason why Mrs. Gu would win. She began to let herself lose less. Occasionally, she won a set or two by herself.

She's a big card in every game and wins again.

In such a set, you can win back the money you lost.

The most tragic is Gu Ziming, who began to think that suan'an had laid the foundation for himself and found that he lost more in the back.

He learned from suan'an and gave water to his grandmother. As soon as the card was played, old lady Gu beat him.

It's not fun to say that he knows how to play mahjong.

Gu Ziming found that how he did it was wrong in the old lady's heart. How does Suan do it? The old lady seems to be right.

www.onlinefreenovels.com

It's a big difference.

Four people had reached dinner time. As soon as they had dinner, the old lady took the three of them to fight.

Waiting for the old lady to win a lot of money, she said she would not play.

Su An'an breathed a sigh of relief and counted the money she lost to the old lady. Fortunately, it was only a thousand yuan.

The worst loser is Gu Ziming. He lost almost the cost of living for the next three months. He wanted to ask the old lady to come back. He thought it was impossible. He was better with Grandpa.

Su Anan got up from the card table, saw the servant coming with the tea, and thought about the soup. Before, the old lady thought about playing mahjong and forgot about it, so now she doesn't retreat quickly. When will she have to wait.

Suan told them that he was sleepy and quickly returned to the room.

After another sitting, Mrs. Gu thought of the soup in the kitchen.

She wanted to call Su An'an to drink. She thought that her daughter-in-law had fallen asleep, so she put her idea on Gu Ziming.

"Zi Ming, grandma stewed the soup for you and went to sleep after drinking it."

When Gu Ziming came back, he heard that the old lady said that the soup was made for suan'an.

He doesn't want to drink what the old lady has made. It's so hard to drink.

When old lady Gu said this, she asked the servant to bring the soup. Gu Zhen said to Gu Ziming lightly, "drink it and then go to sleep."

In my grandfather's heart, grandma is right to do everything.

"Drink it." Old lady Gu urged.

Gu Ziming holds the greasy soup and thinks how much oil grandma has added in it. He bites his teeth and drinks a big mouthful with his eyes closed.

The soup was so salty that he didn't want to drink any more. He put down the bowl and ran upstairs.

## Chapter 143

Suan watched the time. At ten o'clock in the evening, she turned over Gu Mocheng's phone and called.

The first time I called, there came a beep voice. Gu didn't answer her call.

If Gu Mocheng is busy, Su an goes to take a bath first.

As soon as she had finished washing in the bathroom, she heard her cell phone and hurried to pick it up.

She almost fell down because she ran out in a hurry and didn't wear shoes.

"Husband." She called.

"Well." The soft voice came to Gu Mocheng's ear, and he immediately remembered Su an's coquettish face when he was blowing on the balcony.

But one day, he missed her very much.

Gu Mocheng takes a cigarette and talks with su'an on the phone.

"Not yet."

"Waiting for your call." Suan said that she dare not tell the truth and told Gu that he had played mahjong with his mother until now.

"What were you doing? Didn't answer my phone. "

Gu Mocheng listened to the questions in her words, hooked his mouth and smiled. He turned to look at the group of people drinking in the box.

"I didn't hear you at the party."

"Oh." Su'an should know that Gu Mocheng hurried to Jingcheng to deal with business. "Drink less."

She thought about it and told Gu Mocheng that he would drink too much.

"Well." According to Gu Mocheng, he likes to listen to su'an's concern.

Then, the two men were silent. Su an stood at the window and looked up at the sky outside. He was surprised and said, "the sky in the old house seems to be better than that in the city. There are many stars today."

"It's raining here." Gu Mocheng replied, it rained heavily, and crackled against the window.

"Well, I heard it. It rained heavily."

"Husband, when will you come back?" Asked Suan.

Gu Mocheng is not sure. There are some problems with the Xu family's cooperation. He has to stay for a few more days. "As soon as possible."

Su'an knows that Gu Mocheng is a trustworthy person. It must be a tough thing, so he can't be sure when he will come back.

"Go to rest." Gu said to suan'an.

Just as he finished, Suan heard a woman's voice coming from the other end of the phone.

"Mr. Gu, why do you smoke here alone?"

The woman's voice is very gentle and comfortable.

Suan immediately became nervous and listened to them.

"Ann, go to bed."

Gu added, glancing at the woman who came to him, he knew why he didn't hang up.

"Don't worry."

Simple two words really let Su an an an rest assured, she is reluctant to end the phone, said to Gu Mocheng on the other end of the phone, "husband, I miss you!"

"Good night." Without waiting for Gu Mocheng to reply, su'an hung up first.

Hearing su'an's back thinking of him, Gu Mocheng hooked up his mouth and smiled. The little girl deliberately made him think of her.

"Mr. Gu." The woman came to Gu Mocheng's side and was surprised to see his smile. For a moment, she stood there and stared at him.

"Miss Xu." Gu Mocheng said that when he came to the Xu family twice in Jingcheng, Miss Xu received him.

Gu Mocheng thought of one thing and asked, "Miss Xu, your Xu's jewelry is better than the Xiao's in Ningcheng in terms of customization. Can you let me go to Xu's to customize a jewelry tomorrow?"

There are too many similarities in the shopping malls. Gu Mocheng wants Xu's customized products.

"Is Mr. Gu here to see off?" Miss Xu asked with a smile, her eyes shining

with care for Mo Cheng. "Is it for mom or sister?"

"Wife." Gu Mocheng ignored the affection in the eyes of Miss Xu's family and said directly.

"Wife?" She doesn't remember that Gu Mocheng got married.

Her smile faded from the corner of her mouth, and soon she smiled again. "I didn't hear that Mr. Gu was married before."

"I was married when I came last time, but we didn't have a banquet." Gu added, "on the day when our husband and wife hold the banquet, please invite Miss Xu and Mr. Xu to come to Ningcheng for a wedding wine."

"Oh." "Mrs. Gu must be very beautiful," said Miss Xu with a smile

Thinking of suan'an, Gu Mocheng said softly, "well."

"She's beautiful."

www.onlinefreenovels.com

"Prettier than me?" Asked Miss Xu.

Gu replied earnestly, "Miss Xu is also beautiful, but in my heart, she is the most beautiful wife."

Said, Gu Mocheng finished smoking his cigarette, and he put out his cigarette end. "Miss Xu continues to blow, I'll go first."

Miss Xu watched Gu Mocheng enter the box, and the smile disappeared.

A man like Gu Mocheng is very popular with women. For women's suggestion, Gu Mocheng has accepted countless times, either directly refuse

or turn a blind eye.

Now he has suan'an, not to mention other women. Because in a strange place, without Gu Mocheng's company, Su an fell asleep after a long time.

When she got up in the morning, she saw her cell phone at ten o'clock. She got up in a row, afraid of bad influence on Gu Zhen and Gu Lao ma.

She went to the door and saw a note on the ground.

"Suan, we're not finished."

This was left by Gu Ziming, who had slipped away early in the morning and dared not stay at home again. As for the account with Suan, he can't do that.

Gu Ziming is sure that uncle Er doesn't know that su'an's car racing technology is powerful, because his uncle hates people playing such dangerous games as car racing.

www.onlinefreenovels.com

He threatened Suan with this incident, and Suan dared not listen to him.

In Gu's old house, there's a nanny like escort. Maybe he says that su'an will drive fast, and grandma will praise su'an for her strength.

He remembers to count the bill next time he meets Suan.

At the bottom of the note was Gu's phone.

Su'an understood what he meant. She was afraid that Gu Mocheng would know. She wrote down Gu Ziming's number and then destroyed the note.

Su'an didn't go down. She heard a loud voice downstairs. She looked down.

There were three old ladies in the living room who were the same age as old lady Gu.

"Ann, come here."

Old lady Gu saw Suan at a glance and waved to her.

Su an an goes to old lady Gu, who holds her hand and says with a smile, "beautiful."

"Your girlfriend."

It's easy to misunderstand Su an's age that this is Gu Ziming's girlfriend. She will never think that she is Gu Mocheng's wife.

"Wrong, my family made it." Said old lady Gu proudly.

"My wife." She repeated, for fear that the three in front of her would not listen.

"Why?" Said an old lady in surprise. "Look at the age of the girl. It's ten years away from Mo Cheng."

"Eleven." Said old lady Gu.

"It's a big difference."

Old lady Gu is not happy that others say her son and daughter-in-law. Looking at the old lady, she says unhappily, "the woman Xiao Yan is playing outside is similar to Ann's

Old lady Xiao shut up when she was told by old lady Gu.

Old lady Gu smiled and said happily, "in a while, I will be able to hold my grandson."

None of the three old ladies here have a family. They broke their hearts for their son's marriage. They came here to chat as soon as they got a call from old lady Gu in the morning. I don't know that Mrs. Gu is specially for them to show off their daughter-in-law.

Who let their sons one by one do not compete, the older generation do not hurry to marry and have children, regardless of career, or play with women outside.

Gu Mocheng was not married before. They gathered around to talk about their son, gossip about which young lady is good, and talk about their blind date.

"How old are you, little girl?"

"Nineteen."

"Where to go to school!"

Knowing that Suan is Gu Mocheng's wife, the old ladies curiously asked Suan one question after another.

They want to find their son's favorite type from suan'an, so that they can find their daughter-in-law.

"Ann, go and have breakfast." Old lady Gu said to suan'an, and then said to old lady, "don't ask me questions. I'm tired of asking my daughter-in-law."

Su An'an breathed a sigh of relief and didn't have to face the scrutiny of a group of them.

Old lady Gu stood up and said, "rub mahjong."

Suan, who had just turned around, heard it and exclaimed that old lady Gu's energy was good.

"Good." The three of them should take care of each other. Old lady Gu's playing skills are too bad. How can they disagree with her when they win a lot of money back this time.

"In a few days, we will have a party at Xiao's house. Will you come?" Xiao Yan's mother asked Mrs. Gu.

Old lady Gu didn't answer. She said, "the old lady of Jiang's family is also here."

"Come on." Old lady Gu was stunned and immediately replied.

With that, old lady Gu looked at su'an, who was going to the restaurant, and said, "I'll take my daughter-in-law."

The weather in Ningcheng began to get worse. It rained for several days. 'it's raining more in Jingcheng, but it's going to come back as soon as possible,' Mr. Gu said.

As time goes on, su'an's Thoughts on him become more and more intense.

She lives in Gu's old house and proposes to go to school. Gu asks the driver to take her there.

In the old house, su'an saw that Gu Zhen and Mrs. Gu lived in such a large manor and were very lonely. Otherwise, Mrs. Gu would talk to her when she was free.

Gu Zhen didn't dare to let su'an drink again because of his last drink.

At the dinner table, with suan'an, they felt that the house was no longer cold.

When old lady Gu is free, she will take her to visit the villa nearby.

The old lady likes her. She says it's his son's wife.

She's really glad her son got married and had a baby.

The old man likes her company, and su'an also listens to her words and rushes back and forth to school.

It's just that sometimes the driver's uncle drives slower and doesn't overtake too much on the road, which makes su'an, who is used to driving fast, uncomfortable.

Today, it is still drizzling, and su'an has a rest. Gu said that he would be in Ningcheng this afternoon. Mrs. Gu asked the servants to prepare the dishes that Gu liked.

Suan helped, too.

Gu Mocheng has been out for seven days. She really wants to.

For seven days, su'an always felt that he had left for a long time, and thought that the ancient saying "one day is missing, like the next three autumn days"

was very reasonable.

After lunch, Suan anxiously guarded her cell phone. Two hours from Jingcheng to Ningcheng, it took Gu Mocheng more than three to get to the airport.

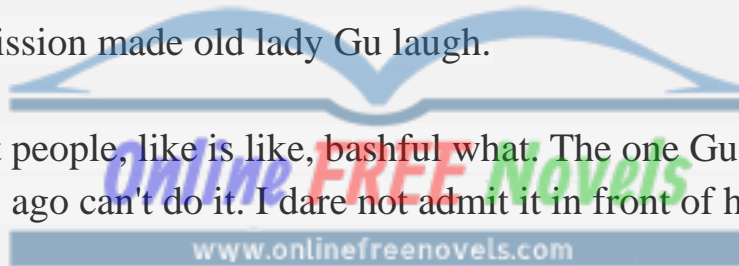

But Suan was in a hurry and wanted to get to the airport to see her right away.

Old lady Gu looked anxiously at Su An'an, and she teased, "little girl, you want to be a success?"

Suan blushed when she was told. She nodded.

Su an an's admission made old lady Gu laugh.

She likes direct people, like is like, bashful what. The one Gu Mocheng found ten years ago can't do it. I dare not admit it in front of her if I like it or not.

Chengcheng sees the progress of people's vision, which is like her!

"Don't worry, he'll be here at four." Said old lady Gu.

Of course, Suan knows she can see him today, but she wants to see him now.

When I miss myself, I feel really anxious.

"Now young people are impatient to fall in love." Gu Zhen has an opinion on suan'an, he said unhappily.

Mrs Gu didn't like it. "You didn't do the same before."

Who is not impatient when he pursues love when he is young.

Gu Zhen shut up immediately after being crowned by old lady Gu.

Su An'an sips her mouth to watch the quarrel between the old lady and Gu Zhen. She feels that they are so old and can still love each other so much. They are really happy.

In particular, Gu Zhen's love for old lady Gu is beyond the average man.

I'm old. Gu Mocheng will not follow her like this.

"Dad is nice to mom." As she spoke, she thought of Suhua.

Early on, Su ruocheu said to her that her mother broke off the relationship between Suhua and her family and worked hard with Suhua to start a business.

www.onlinefreenovels.com

At the beginning, Suhua was also very good to her mother.

People change when they touch money. Suhua still cheated and did something sorry to her mother.

"Well, yes." Old lady Gu admitted that she reached out and held Gu Zhen's hand, smiled and said, "it's not easy for a person to meet someone he loves all his life, and he loves his own. So we should cherish the present happiness. Suan thought the old lady had a point.

"Ann, Mocheng will be good to you." Old lady Gu said that she usually called Gu Mocheng "Chengcheng". This time, she solemnly mentioned the word "Mocheng".

She is as lucky as suan'an. She met Gu Zhen when she was in such a mess. Then Gu Zhen has been very good to her. She has never changed, even though her face is full of pleats.

Before long, old lady Gu and Zhen fell asleep on the sofa. When they were old, they closed their eyes and went to sleep.

They are also waiting for Gu Mocheng to see that their son's mood is no worse than that of su'an.

Su An'an looked at the past. The two of them held each other's hands. They never let go.

Old lady Gu is really happy. Suddenly, su'an wants to know how they are together! Gu Zhen's character should be similar to that of Gu Mocheng. He is indifferent to everyone.

Su an an was about to turn off the TV when she saw the news that suddenly jumped out of her head.

Hearing the words "the plane from Jingcheng to Ningcheng", her tears came out one by one.

Gu Zhen was first woken up by the sound in the TV. He opened his eyes and looked at it. He shook Gu's hand.

"Turn off the TV." Gu Zhen said to Su an in a low voice.

Su an is immersed in the news on TV. She doesn't hear Gu Zhen at once.

"Give me the remote control." Gu Zhen said in a sharp voice.

Suan responded and handed over the remote control with tears in her eyes.

But it's too late. Old lady Gu wakes up and hears Gu Zhen's words, "what's wrong with Ann?"

"Watch TV for Ann."

As she spoke, she looked at the TV in front of her.

As soon as Mrs. Gu heard about the plane crash, the whole person was stunned.

"OK, it's OK." Gu Zhen said, "let's call Mo Cheng."

"Nothing, what is nothing?" As soon as he finished, old lady Gu cried out, "you told me that Jingxing was ok, but that?"

"He's dead, dead!"

At the mention of her old son, old lady Gu was so excited that she burst into tears.

She had a very good life, so in middle age, her eldest son was taken away by God.

Su An'an takes out the phone to call Gu Mocheng when old lady Gu cries.

Gu Mocheng's phone was turned off, and su'an then called, but he didn't get through.

She didn't think much about it. She went straight to the gate. Mrs. Gu

followed her first.

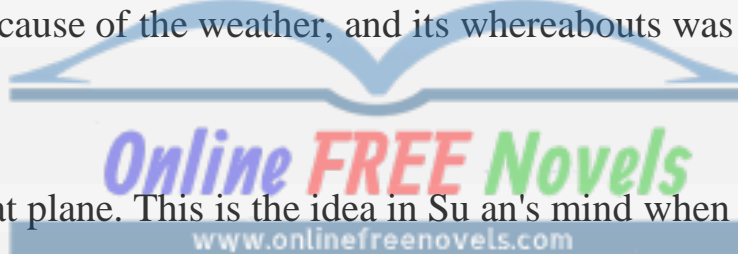

There are only two cars in Gu's old house. The car that is easy to drive is driven by the driver to repair. It will not come back.

Now the car is in manual gear. Su an goes in. There is a key in it. Old lady Gu and Zhen Gu also go in.

## Chapter 145

The airport in Ningcheng has to drive on the expressway. It's a weekend. There are many cars to the airport. Su'an directly came out of his old house and drove on the highway.

In the news, it was said that the plane from Jingcheng to Ningcheng was hit by lightning because of the weather, and its whereabouts was unknown after it fell.

Gu Mo is in that plane. This is the idea in Su an's mind when driving.

The old lady Gu in the back seat cried bitterly. She thought of her dead eldest son. "If it's gone, I don't want to live."

She can't stand the blow of always sending black hair to white hair.

"Nonsense?" Gu Zhen's worry about Gu Mocheng is not less than that of his wife and Su An'an. When he saw the news, he wanted to call Gu's people and ask others who followed Gu to Jingcheng.

Gu's wife and su'an didn't make a phone call or bring out the mobile phone.

Now they can only visit the airport.

"Mocheng will be OK." Said Gu Zhen.

But his mind is still in a state of confusion. How can he not worry before he is sure?

That's his only son on the plane.

"Whoops." Old lady Gu is still crying, "Chengcheng is not easy to get married. This grandson didn't give birth to me, so it's gone."

The more she thought about it, the more sad she was, the more she thought about her life.

The old lady Gu's crying made Su an's heart even heavier. Her eyes were wet, which affected her vision. She reached out to wipe away the tears and got wet again.

Gu Zhen saw Su an's tears through the rearview mirror and said, "an an, concentrate on driving."

As he spoke, Suan shifted gears abruptly to speed up.

There is more traffic on the highway. Su'an is in a hurry after them. Influenced by the mood of old lady Gu, she can't care about other acceleration.

She moved the steering wheel to overtake on the left and overtake on the right.

The speed of the car went up to 150, and it was overtaking from left to right. The old lady Gu stopped crying when the car was driving in the back seat.

Gu Zhen sees Su an's familiar acceleration and overtaking. This kind of speed

and skill can not be controlled by ordinary people.

If you don 't exceed it, you will let the car behind you hit or hit the car in front of you.

But Suan drives very steadily.

"Old man." Old lady Gu also looked strange. As she said this, Gu Zhen looked down at her seat belt.

"It's OK." Gu Zhen holds old lady Gu's hand.

"It's all about you. If you want to save money, the private plane will not be used. Every time Mexico Chengdu has to catch its own plane. " Old lady Gu thinks and blames Gu Zhen.

The plane crash is not something Guzhen can control. Now it's something wrong. He's asked by old lady Gu.

They have two sons, one is gone, the other is gone, no one can bear it.

"Yes, yes, it's my fault." Gu Zhen clenched Gu's hand and said that the most important thing now is to get to the airport as fast as possible. The three people rushed out and forgot their mobile phones.

When we get to the airport, we can settle down a little.

It usually takes more than an hour to get to Ningcheng airport from Laozhai, but with Su an's skill, she drives for more than 20 minutes, which shows how fast she drives.

As soon as he arrived at the airport parking lot, suan'an made a beautiful drift

and stopped in the parking space with her head turned away.

The rotation of the car frightens old lady Gu Zhen.

Su'an remembers Gu Mocheng. She can't care about Gu Zhen and his wife's strange driving skills.

If Gu Mocheng is gone, she will be scared if she is known about the racing.

After su'an got off, old lady Gu and Gu Zhen got off the bus.

Old lady Gu felt dizzy and had to admit that she was old.

Su'an looks back at Gu Zhen and old lady Gu. She realizes that she is driving too fast, which frightens them.

"Mom, are you ok?" Asked Suan.

Old lady Gu waved. "Go to the airport information desk and ask."

She motioned for suan'an to go to the airport hall, saying that she stood up, and with the help of Gu Zhen, followed her to the hall.

The plane crash has been broadcast in the news, but the families who took the plane didn't come as quickly as they did. They should be the first family members to come to the airport to ask.

"Show us the list of people on the one o'clock flight from Jingcheng to Ningcheng." As soon as Suan arrived at the information desk, he asked eagerly.

The staff had already prepared the list and handed it to suan'an.

Su An'an receives the list. When she sees the name of Gu Mocheng on it, she is shocked.

After that, Gu Zhen and his wife came to see him. Gu Zhen grabbed him first and saw his son's name on it. He couldn't help turning white.

How could this happen?"Gu Zhen!" Looking at Gu Zhen's face, old lady Gu guessed that Gu Mo had come true.

"It's all your fault."

"You give my son back!"

When the three were very sad and desperate, the airport staff rushed into the hall in a hurry. When they saw Gu Zhen, he was relieved.

"Is it Mr. Gu?"

because he came directly from the upstairs business, he said breathlessly, "Mr. Gu's phone number?"

Mr Gu?

Su An'an is stunned. Her gray eyes suddenly brighten. Old lady Gu stops crying. She urges Gu Zhen, who is stunned, to answer the phone

Gu Zhen responded and picked up the phone.

"Dad, I'm fine." After Gu Zhen heard Gu Mocheng's voice, the stone that was pressing heavily on his chest suddenly fell down.

He was under no less pressure than old lady Gu and suan'an.

"Good, good!" Gu Zhen even said two words, in front of a black, suddenly fell to the ground.

The blow of Gu Mocheng's accident was too big for him. He was forced to stay there and guard the old lady. He was afraid that she would collapse once she fell down.

So after hearing Gu Mocheng's voice, he made sure his son was ok, and then he let himself faint.

"Ah Zhen." Old lady Gu watched Gu Zhen fall, and the tears that had stopped ran out again.

When she was young, she was stubborn and liked to swallow tears in her stomach when she met anything. When she was old, she would cry instead.

It's all the fault of being spoiled by the fainted man.

Su'an begins to hear Gu Mocheng's phone call, and then listens to the old man saying two "good" words on the phone. She is relieved and thinks Gu Mocheng is OK.

However, Gu Zhen fainted and worried.

She thought that she didn't drive too fast just now, which scared Gu Zhen.

"Dad." Su An'an cried anxiously. As soon as everyone at the airport saw Guzhen's accident, they came to take the old man away.

The mobile phone dropped on the ground, and su'an picked it up.

Because of the noise at this end, Gu didn't hang up and waited there.

"Husband." There were not enough things that su'an met. One afternoon, Gu Mocheng had an accident and Gu Zhen fainted. She sobbed.

"Ann, take my dad to the hospital first." Gu said calmly, "I will contact Han longyi."

The old man's heart is not very good. He is old and has all kinds of problems.

"I see." Suan'an replied, she looked at Gu Zhen and old lady who fainted beside her eyes, but there was no tears in their eyes and more firmness.

Gu Mocheng is not here. She has to take good care of her second eldest brother.
